Proceeds of the tournament will benefit educational as well as athletic opportunities for students in K-12. Along with a portion going to help fund a brand new playground.

Crosswoods is ranked the best course in Northeast Minnesota by the 2013 Star-Tribune Golf Guide. The guide made their picks looking at factors such as hospitality, playability, and value.

Twenty-seven beautiful greens and lush rolling fairways carve through native woods in a secluded natural setting. The 8th hole was featured in Minnesota Golfer Magazine as a "Great Drive (page11)." In a previous year, the 6th hole was featured by Minnesota Golfer Magazine as a "Hidden Gem." Experience golf as it was meant to be played in the Brainerd Lakes area. The Crosswoods Grill offers dining inside our comfortable dining room or outside on a scenic deck overlooking the golf course and our waterfall garden.

We strive to improve the course each year. If you have not played Crosswoods recently, you will now find that it is the premiere course in the Brainerd Lakes area compared to courses with similar rates.

Crosswoods Golf Course is located just (23) miles north of Brainerd on County Rd 3 in Beautiful Crosslake. 35878 County Rd 3, Crosslake, MN 56442 218-692-4653 www.crosslakegolf.com

6th Annual
18 Fore CCS golf tournament

The sixth annual 18 "Fore" CCS Golf Tournament supports programming at the Crosslake Community School District. We need your help in enriching educational experiences for students in Central Minnesota.

CCS is one of Minnesota's top Charter Public Schools with a mission of growing environmentally aware, community-conscious learners of excellence. Crosslake Community Charter School expanded from its original kindergarten - 8th grade seat-based model to include 9-12th grade students in August 2014 at the request of former and current families. In order to meet the needs of potential students, the school board decided to offer a hybrid online model in order to give students the flexibility they may need in order to pursue personal activities as well as completing the required courses to receive their high school diploma. While students need to be motivated, hard-working, and dedicated to the online model, the adults surround them with encouragement, academic assistance, and support to ensure that no student falls through the cracks. Due to the success of our online program, we now offer online courses to students grades 5-12.

What you may not know is that even though CCS is a public school serving more than just the community of Crosslake, we do not impact local property taxes. A huge thanks to the efforts of the LAKE Foundation we were able to complete our first year in our new facility. Along with the fundraising for the school, we rely on other fundraising events to help bring funds in to expand our students' enrichment experiences.

On behalf of our CCS family, thank you for all of your support!

Todd Lyscio – Director of CCS
Lisa Schumacher – 18 Fore CCS Coordinator

6th Annual
18 Fore CCS

Sunday, Aug. 25th, 2019
