Proceeds benefit educational & athletic opportunities and the new  
playground for our CCS Students

# Crosslake Community School

Dear Supporters:

The sixth annual 18 "Fore" CCS Golf Tournament supporting programming at the Crosslake Community School District needs your help in enriching educational experiences for students in Central Minnesota.

CCS is one of Minnesota's top Charter Public Schools with a mission of growing environmentally aware, community-conscious learners of excellence. Crosslake Community Charter School expanded from its original kindergarten - 8th grade seat-based model to include 9-12th grade students in August 2014 at the request of former and current families. In order to meet the needs of potential students, the school board decided to offer a hybrid online model in order to give students the flexibility they may need in order to pursue personal activities as well as completing the required courses to receive their high school diploma. While students need to be motivated, hard-working, and dedicated to the online model, the adults surround them with encouragement, academic assistance, and support to ensure that no student falls through the cracks. Due to the success of our online program, we now offer online courses to students grades 5-12.

What you may not know is that even though CCS is a public school serving more than just the community of Crosslake, we do not impact local property taxes. A huge thanks to the efforts of the LAKE Foundation, we were able to complete our first year in our new facility. Along with the fundraising for the school building, we rely on other fundraising events to help bring funds in to expand our students' enrichment experiences.

To help us enrich the educational experiences of our students by updating equipment and various other needs throughout our school, we are asking businesses like yours to consider becoming a "hole sponsor" for our golf event on Sunday, August 25th. You will receive a free sign at a hole and name on our list of sponsors, for the price of \$50. Or there is the option of advertising in the goody bags to our 144 (maximum) golfers. It may be a small item, coupon or brochure. We are also accepting donations for raffle items, such as rounds of golf, gift certificates, apparel or other items, etc. Committee members will pick-up any items you are willing to donate.

What you will gain in marketing with signage on the golf course, will be far outweighed by what your support will mean to the students and staff of Crosslake Community School.

In advance, I want to thank you for your generosity in supporting our wonderful school community.

Sincerely,

Todd Lyscio - Director Crosslake Community School  
Lisa Schumacher - 18 Fore CCS Coordinator
